

Grey Eagles Annual Convention Tucson 2020 - Postponed

July 9, 2020

Dear Grey Eagles Friends,

The Grey Eagles Executive Board met to discuss the Tucson 2020 convention. After a long and serious discussion, the Board reluctantly made the decision to ask Loews Ventana Canyon Resort for a postponement. This week Loews informed us that they are willing to agree to a postponement to the same week in 2021

As pilots, our profession requires us to constantly assess risk. The safety of our membership must be of utmost importance to all of us. We believe that the COVID-19 risk is real and unpredictable. We also believe that the risk will be greatly reduced by postponing our convention to 2021.

This is obviously a deep disappointment for your convention leadership but also a relief that we're not planning a convention amid a pandemic. This is also a disappointment to our many members who were looking forward to being in Tucson this October. For those who have made travel reservations and other plans, I sincerely apologize for this disruption. On the positive side,

we believe that attendance in 2021 should be significantly stronger with COVID-19 hopefully resolved.

We will be sending information on our new plans as soon as we are able. Your understanding and support are very much appreciated.

Be safe, be well.

Thank you,

Dave Pakiz, President 2020
The Grey Eagles
