

# Breaking News - Something New at The Grey Eagles!

The 2021 Grey Eagles Convention was the topic of two short surveys recently sent to you the membership. A significant number of respondents - 88 out of 215 - said they would be interested in a European River Boat Cruise. 39 out of 215 responded that they are interested in a Mississippi River Boat Cruise.

After serious consideration, the Board of Directors (BOD) decided that river boat cruises aren't feasible as convention venues. However, with the number of respondents who seem to have these trips on their "bucket list", and knowing that The Grey Eagles enjoy traveling together, the BOD decided to explore small group travel for The Grey Eagles.

The BOD has authorized our convention/cruise planner, Vicki McGowen, to organize a European River Cruise for June 17-24, 2020. We also will consider offering a Mississippi River cruise for Spring 2021. It is our intent to offer the best value, best price and most attractive itineraries for your consideration. We see this as an opportunity to enjoy the company of your fellow Grey Eagles in a new way!

It is important to emphasize that these "bucket list" opportunities are ***not a replacement*** for our Grey Eagles' Annual Conventions and we look forward to seeing all of you at the Convention in Tucson, AZ, October 29 - November 1, 2020!

Thank you! — CA Dave Pakiz, GE President – 2020
