### **Arizona Sonora Desert Museum**

The Arizona Sonora Desert Museum is a 98 acre zoo, aquarium, botanical garden, natural history museum, and art gallery founded in 1952. There are 2 miles of walking paths covering 21 acres of desert landscapes. Some of the current exhibits include a Reptile, Amphibian & Invertebrate House, Mountain Woodlands, Stingrays, Cat Canyon, Desert Grasslands, Walk-in Aviary, Hummingbird Aviary, Earth Science Center, Riparian Corridor, Ancient Arizona and Life on the Rocks.

We will get you to the museum in time to experience the Raptors in Flight Demonstration at 11:00AM (weather permitting).

Note: Lunch is on your own this day with the option of the Ocotillo Cafe or the table service Ironwood Terraces Restaurant.

### **Sabino Canyon Hiking - Scenic Drives**

Sabino Canyon: An oasis in the Sonoran Desert and just five minutes from the Ventana resort. Numerous opportunities for walking and hiking, self-guided or led by a volunteer naturalist. There is also The Sabino Canyon Crawler, an all electric 50 passenger open air shuttle that will take you on a narrated one hour tour following a winding road up Sabino Canyon crossing the creek nine times on improved vented crossings built during the depression of the 1930s.

You also have a beautiful hiking option right behind the resort in Ventana Canyon. There are guided tours posted each morning hosted by Loews staff.

Note: These are on-your-own excursions. However, Tucson local Grey Eagle Phil Bentley will be your tour guide upon request!
