

A message from Convention Chairman Dave Pakiz regarding our health and safety with COVID-19 and the Delta variant.

August 8, 2021

Dear Friends,

I would like to address the recent developments of the COVID-19 and the Delta variant.

- We are committed to this convention and have every expectation that Tucson 2021 will be a fun and safe gathering of The Grey Eagles.
- We believe that those who are vaccinated are at very little risk and should come enjoy the convention.
- For the health and safety of everyone, we strongly encourage our guests who have not yet been vaccinated to do so before the convention.
- Masks will be optional unless mandated by Loews or the State of Arizona.
- Barring a Force Majeure event, we will have a great time in Tucson! Come join us!

**IMPORTANT:** If you do need to cancel your Loews or The Lodge reservation, call Vicki at 775-722-2811. Do not call the hotels directly! We may fill your reservation from a waiting list. We will cancel your reservation regardless.

*Dave*

Capt. Dave Pakiz  
2021 Convention Chairman  
The Grey Eagles
