Gone West

"To fly west, my friend, is a flight we all must take for a final check"
Author Unknown

High Flight

Oh, I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds--and done a hundred things
You have not dreamed of--wheeled and soared
and swung High in the sunlit silence,
Hov'ring there, I've chased the shouting wind along,
and flung My eager craft through footless halls
of air. Up, up the long, delirious burning blue
I've topped the windswept heights with easy grace
Where never lark, or even eagle flew. And while
with silent, lifting mind I've trod The high
untrespassed sanctity of space, Put out my hand,
and touched the face of God.

RCAP Flight-Lieutenant John Gillespie Magee Jr.
(1922-1941).
