

THE GREY EAGLES

Dear Esteemed Grey Eagle,

We're excited to highlight one of the perks of being a Grey Eagle: The opportunity to remain fully engaged with your fellow pilots, and contribute to making a better professional organization!

As a Grey Eagle you are a key stakeholder in a hearty group that has more fun, holds more events, is well organized and better funded than any other over-50 airline pilot's organization in the world. The Grey Eagles mission is to foster and enjoy the personal relationships we've developed over our careers, and assist with the challenges of retirement.

If you enjoy leading with a servant's heart, the Grey Eagles has rewarding opportunities to serve as an Officer or Board Member. Currently, we're on the lookout among our skilled members to fill two board-level positions.

Treasurer: The Treasurer is one of 5 Executive Board (EXB) members, which includes the President, Secretary, 1stVP and 2ndVP. Our outgoing Treasurer will give you complete training in use of our automated accounting processes.

Northeast Area Director (NEAD): The NEAD is on the GE Board of Directors (BOD), and one of 5 nationwide Area Directors (AD's). The NEAD oversees northeast (NE) area GE local luncheons and retirement banquet invitations. The NEAD has "Deputy Area Directors" (DAD's) who coordinate local NE base activities. Organizing our GE's Retirement Banquets is now performed by APA, not our Area Directors.

There is no pressure to commit – the Grey Eagles Nominating Committee is here to answer questions and help you learn about opportunities. You may either reply to my email below or call my cell phone to ask questions. All of us at the Grey Eagles look forward to having you aboard! With warm regards,

Bill

Bill Baerresen, Chair, Grey Eagles Nominating Committee
2023 President
