

# THE GREY EAGLES

Dear Esteemed Grey Eagle,

We're excited to highlight one of the great perks of being a Grey Eagle: The opportunity to remain fully engaged with your fellow pilots while contributing to making a better professional organization!

As a Grey Eagle you are a key stakeholder in a hearty group that has more fun, holds more events, is highly organized and better funded than any other over-50 airline pilot's organization *in the world*. The Grey Eagles mission is to, *foster and enjoy the personal relationships we've developed over our careers, and assist with the challenges of retirement*. Our only prerequisite to serve in this capacity is a Grey Eagles membership, and a desire to serve the great pilots of The Grey Eagles.

If you enjoy leading with a servant's heart, the Grey Eagles has rewarding opportunities to serve. We're currently on the lookout to fill a board-level position:

**Northeast Area Director (NEAD):** The NEAD is a member of the Grey Eagles (GE) Board of Directors. The NEAD is one of 5 GE Area Directors (AD's) nationwide. The NEAD oversees NE GE local luncheons and retirement banquets. The NEAD appoints "Deputy Area Directors" (DAD's) who assist in coordinating local NE base activities. Fortunately for our 5 Area Directors, the task of organizing Grey Eagles Retirement Banquets is now an APA function. Leaving you to enjoy MC'ing a grand evening of cocktails, dinner, recognition and dancing.

I am the 2024 Grey Eagles Nominating Committee Chair and glad to help answer any questions. Or feel free to talk to any Grey Eagles officer. You'll find us listed on *The Grey Eagles Roster* at <http://www.thegreyeagles.org/>. All of us in the Grey Eagles look forward to welcoming you aboard and serving with you!

Fraternally,

*Bill*

Bill Baerresen, Chair, 2024 Grey Eagles Nominating Committee
